Bring in the filing fee to retain us (\$313 for Chapter 13, \$338 Chapter 7) and the up front attorney fee if you are ready to file. Most of the attorney fee for Chapter 13 cases is included in the monthly payment you pay to the Chapter 13 Trustee. Chapter 7 attorney fees must be paid prior to filing.

When filling out the creditor worksheets please use the correspondence address used by the creditor on any bill received within the last 90 days. If you still have these bills please bring them so we can verify you used the proper address.

CREDIT REPORTS

We obtain your credit report for you once you have paid us in full to file your case.

CREDIT COUNSELING INFORMATION

Participating in one credit counseling session (about one hour) is required to file bankruptcy. You are not required to participate in a repayment program, you are just required to complete the session and obtain a certificate for each person who is filing the bankruptcy. There are several providers that are approved by the U.S. Trustee to provide counseling. We currently recommend Allen Credit & Debt Counseling Agency. You can take the course online at www.allencredit.com. If you do not have access to a computer/smartphone then you can call 1-888-415-8173 and take the course over the phone. The cost is currently \$20 for couples or individuals if taken online, or \$25 if taken by phone. At the conclusion of the course there is a short chat that *must* be completed to receive your certificate. This process must be complete in order to file your case. Please provide them with the **Attorney** Code 1a964 and they will email your certificate to us once the course is complete. If it is not complete the day you meet with us, we will prepare your case for filing and wait for the course to be completed. Make sure you complete the creditor worksheets and budget in our packet before contacting them as you will need to provide them this identical information.

Don't hesitate to set your filing appointment with us prior to completing the credit counseling. Once you have met with our office, paid your fees and we have received your credit counseling certificate, we will be ready to file your case.

CREDITOR INFORMATION

Bankruptcy law requires that all creditors must be listed. If any creditor is not listed, they may not be discharged and your case may be dismissed. Each creditor listed must include the correspondence address (not the address where you send the payment) including the zip code, the amount owed, the date incurred and the account number. Some creditors, particularly medical, have many account numbers for the same person **DO NOT LIST EACH ACCOUNT SEPARATELY.** List the creditor once, but write down all of the account numbers in the space provided for the creditor. If you don't have addresses for the creditors, they can often be found on the internet or on your credit report. The cost to add creditors to your case after filing is \$75.00 before the hearing and \$100.00 after the hearing. (This is the cost each time creditors are added, not the per-creditor cost.)

USE THIS TO HELP YOU VALUE YOUR PERSONAL PROPERTY

You need to list everything you own (or are buying). The Law requires that you value these items at the amount it would cost you to replace your possessions if you purchased identical used items. You may use this table as a <u>suggestion</u> to help you place a value on your belongings. <u>BUT, IF YOU HAVE A DIFFERENT OPINION, YOU MUST MAKE THE DECISION.</u>
